

Fefe Dobson, Scar

Blowing Palm tress
Perfect sunsets
Tricked my mind to get my feet wet

Tired of lies
Pressure rising
You're all I have and now your crying
Oh I hit you way too low
I've gone too far
I'm just another scar

[Chorus:]
And when you told me
You don't love me anymore
You don't love me anymore
You punched me out
You took me down

I trash talk you
You trash talk me
Orchid flowers help me fake I'm happy

Empty bedroom
Chest is burning
I've messed up and now I'm paying
Oh I kicked you way too low
I've gone too far
I'm just another scar

[Chorus:]
And when you told me
You didn't want to see me again
You didn't want to never ever see me again your scream and shout turned
Me around

[Bridge:]
And now I feel the way you do
I'm just like you
I'm just like you
Now I will never be the same
No I will never be the same

[Chorus:]
Now I will never be the same
