

Feist, Century

I find my feelings
And guide them away
Couldn't been easier
Like a cunt in a daze

Objection
Light the stage
I want that feelings
Think I feel in my own way

The wrote that letter
That had nothing to say
Still got your vision
Like a kingdom of days
Lonely or not lonely
Century away
Still that vision
As if help's on its way

Someone who'll lead you to someone
Who will lead you to someone
Who will lead you to the one
At the end of the century
/2x

A Cenury – how long is that?
3 billion
1 hundred
And 55 million
9 hundred and 73 thousand
6 hundred seconds
8 hundred and 76 million hours
Or 36 thousand
5 hundred days
Almost as long as one of these endless dark nights od the soul
Those nights never end
When you believe you;ll never see the sun rise again
And a single second feels like a century

A century
