

# Felix Da Housecat, Ready 2 Wear

You are a star  
You wear it well  
You blow my mind tonight tonight  
So we can dance all night

Nothing I could tell you  
You look good when you wear it well  
Nothing I could tell you  
You look good when you wear it well  
Nothing I could tell you  
You look good when you wear it well  
Nothing I could tell you  
You look good when you wear it well

Tonight tonight you're a star won't you stay a while  
You wear it well, wear it well, wear it well  
Sing me your song...

Nothing I could tell you  
You look good when you wear it well
