

# Feltbeats, One Of These Days

There are many places I havent been,  
seen them all on screen.  
And there are many faces I need to meet,  
time to use my feet.  
I guess that I cant seem to free my mind.  
I cant seem to make the most of my time.  
I guess Im stuck here, until my luck clears.  
Blue skies painted in my eyes.  
You dont have to stay goodbye.  
Cause you wont look me in the eye.  
Cause I will find an answer  
(One of these days.)  
I will take my chance to  
(Just one of these days.)  
Fly away.  
Yeah, Ill fly away.  
Just one of these days.  
And I need to take my chances.  
Theres always time for the second glances.  
I cant miss my only chance to be free.  
Feet in white sands, sunsets on the sea.  
And many years from now,  
Ill pack it up and then Ill quit my whining.  
And many years from now,  
Ill want to look back smiling.  
Cause you dont have to say goodbye.  
Cause you wont look me in the eye.  
And I will find an answer.  
And I will take my chance take to  
Fly away.  
Yeah, Ill fly away.  
Just one of these days  
I will find and answer.  
(One of these days.)  
I will take my chance to  
(Just one of these days.)  
Fly away.  
Yeah, Ill fly away.  
Just one of these days
