

# Fenix TX, Flight601 All I've Got Is Time

I think about the places I have been  
And what I've seen  
And all the lessons I've learned in between  
Twenty some odd years and nothing's changed  
I'm still the same  
Still learning from this never ending dream

This life it teaches me of many things  
Like disbelief And trusting in dishonesty and love  
It keeps me dragging on and on  
But something's wrong  
And I just can't seem to figure out the scheme

Another time might make you crazy  
But that's all I've got is time (x2)

Satisfactions never guaranteed  
And you agree  
It's best to live inside our memories  
And if I make it to the otherside  
I'll be satisfied  
And I'm never coming back for anything

Another time might make you crazy  
But that's all I've got is time(x2)

This life it teaches me of many things  
Like disbelief.....and I'm never coming back for anything

Another time might make you crazy  
But that's all I've got is time (3x)
