

Fenix TX, Rooster Song

Big cock,
he's so damn big
Big cock,
he even ate a pig
Big cock,
a big cock for your mouth.
Big cock,
and on thanks-giving
Big cock,
is what you'll be given
Big cock ,
a big cock for your mouth
Big cock,
he's so tasty
Big cock,
sop him up with gravy
Big cock,
a big cock for your mouth.
When I'm alone
all I can do is think of you
And all the ways that I can give you...
big cock.
