

Fenix TX, Surf Song

Hanging out at the beach one day
And I heard someone say that if
I Was cool
I'd be surfing
That's when I decided
I wasn't gonna be some punk kid
Gettin sand kicked in his face
And losin all the chicks

I wish that I was cool
I wish I was surfing
Making beach babes drool,
I wish I was surfing
And every single day
I would be surfing
I wish that I was cool
I wish that I was surfing

I went out and bought me a board
I even got me a bungee cord
So I'd wipe wipe out I won't lose my board
how much practice can it take
I mean I've already seen "Point Break"
And if Keanu can do it
Then I can too

You know that I don't mind
Hangin' out and wasting time (Yeah Yeah)
Starin' at the sea all day
Waitin for that perfect wave (Yeah Yeah)

I wish that I was cool
I wish I was surfing
Making beach babes drool,
I wish I was surfing
And every single day
I would be surfing
I wish that I was cool
I wish that I was surfing
(Yeeeeaaaaaaaaahhhhhhhhhh)
