

Fenix TX, Take A Chance On Me

Take a chance on me she said
I'll be here for a while
I should've seen the lies to her smile
Why didn't I lie to
Why didn't I lie to you

All the problems that you've had
You bring them all on me
Take away my air so i can see
Why didn't I lie to you

Take a chance on me again
I'll try to make it right
But I won't hear another lie tonight
Why didn't I lie to
Why didn't I lie to you
Why didn't I lie to
Why didn't I lie
