

# Fergie, All That I Got (The Make Up Song)

(feat. Will.I.Am)

Baby, baby when youre looking deep in my eyes  
I know youre seeing past my make-up  
Into the little girl that used to hide out and cry  
When her parents fought  
Tryin to be strong

You can see the hurt in me  
The cover ups so secretly  
And all that I aspire to be  
You see, you see  
You know who I really am  
No entourage or caravan  
And do u even give me a damn  
All about that, tell me

[Chorus]  
Would you love me if I didn't work out or I didn't change my natural hair  
I could be the one you want to grow older with, baby  
Ill give you all that I got

See, I don't mean to scare you now and push you away  
Cause Im not tryin to rush anything  
But when i look into your eyes I'm not scared you'll say,  
I see little you, Im in the picture too

Like a happy family tree  
Were together constantly  
This could be eventually  
Well see, well see  
But all that I have got to know  
Is with me baby will you grow  
Through sun and rain and heavy snow  
Oh tell me so now baby

[Chorus x2]

[Will.I.Am:]  
Its as simple as one and two  
Im in love with you  
And three and four  
Youre all I adore  
To the seven and eight  
See Ive been making mistakes  
Cause when youre on my mind  
I just cant think straight  
Back to the five and six  
Im all in the mix and I'm all into you  
Without the lipstick  
Without the LOreal  
You remain the same angel that I fell for  
For real, for real

[Chorus x2]
