

Fergie, Bailamos

Whoo Whoo Whoo Come on ya'll Whoo

Keep movin and movin and movin it

keep movin and movin and movin it

keep movin and movin and movin it

keep movin and movin and movin it

like this like that like this whoa

Can you feel the light it's a full moon tonight so bring your appetite to feast on the mood drink up the
(Bridge)

Cause I really want to see you dancing I really want to see you movin there's a party on a boat we

(Chorus)

If your feeling like i'm feeling then move your body don't stop don't stop move your body give it all y

Feeling like i'm feeling then and your body don't stop don't stop move your body give it all you got r

Now there looking your way as your starting to sway to the band as they play so feast on the mood

Move your hips shake your thang tell the guitar to sang hear your fever bells ring now piano groove

(bridge and chorus)

Whoo If your feeling like i'm feeling then move your body don't stop don't stop move your body give
