

# Fergie, Big Girls Don't Cry

Da Da Da Da

The smell of your skin lingers on me now  
Your probably on your flight back to your home town  
I need some shelter of my own protection baby  
To be with myself and center, clarity  
Peace, Serenity

[CHORUS]

I hope you know, I hope you know  
That this has nothing to do with you  
It's personal, Myself and I  
We've got some straightenin' out to do  
And I'm gonna miss you like a child misses their blanket  
But Ive got to get a move on with my life  
Its time to be a big girl now  
And big girls don't cry  
Don't cry  
Don't cry  
Don't cry

The path that I'm walking  
I must go alone  
I must take the baby steps until I'm full grown  
Fairytale don't always have a happy ending, do they  
And I foresee the dark ahead if I stay

[CHORUS]

I hope you know, I hope you know  
That this has nothing to do with you  
It's personal, Myself and I  
We've got some straightenin' out to do  
And I'm gonna miss you like a child misses their blanket  
But I've got to get a move on with my life  
Its time to be a big girl now  
And big girls don't cry

Like the little school mate in the school yard  
We'll play jacks and uno cards  
Ill be your best friend and you'll be mine  
Valentine  
Yes you can hold my hand if u want to  
Cause I want to hold yours too  
Well be playmates and lovers and share our secret worlds  
But its time for me to go home  
Its getting late, dark outside  
I need to be with myself and center, clarity  
Peace, Serenity

[CHORUS]

I hope you know, I hope you know  
That this has nothing to do with you  
It's personal, Myself and I  
We've got some straightenin' out to do  
And I'm gonna miss you like a child misses their blanket  
But I've got to get a move on with my life  
Its time to be a big girl now  
And big girls don't cry  
Don't cry  
Don't cry  
Don't cry
