

Ferrick Melissa, Take Me All

I've got an idea
I got it in my hand
N' I'm gonna turn it around
Throw it up and down
'Cause it's an idea
It's gonna make you move
Closer
It's gonna make you wonder
Why you have waited so long
To take me all
All until I fall
Take me all
All until I fall
Until I fall in love
Until I fall in love
You have got this edge
You've got it in your heart
N' my idea is to walk it
I will walk you like a plank
Like a prophet
Take me all
All until I fall
Take me all
All until I fall
Until I fall in love
Until I fall in love
Until I fall in love
Well, I'm falling ... Yeah Yeah ...
Well, I'm falling ... Yeah Yeah ...
Take me all
All until I fall
Take me all
All until I fall
Take me all
All until I fall
Take me all
All until I fall
Until I fall in love
Until I fall in love
