

# Ferrick Melissa, Time Flies

Without you  
I would never be scared  
Without you  
I would never dare  
Go give in  
To sin  
To try and tell you why  
I am the way I am  
You blindfold me  
Yeah you scold me  
You teach me how to pretend  
Yeah you teach me how to bend  
Time flies  
Just like you and I  
And you are on your knees again  
Praying to something  
That I can't see  
But somehow  
You make me believe  
Lights close  
And so do my eyes  
Yeah baby you have got the power to hypnotize  
Just because this is not exactly what I thought it would be  
That does not mean that I do not still dream  
With this strength  
I will fall down and get back up  
I am young and my bones  
They just don't want to give up  
I will suck the air up  
I will push my blood up  
I will raise my feet up  
Because you know  
Times flies  
Just like you and I  
And you are on your knees again  
Praying to something  
That I can't see  
But somehow  
You make me believe  
Time flies  
Time flies
