

# Feuerschwanz, Circlepit Of Hell

Circlepit of Hell  
Come along and ride the devil's carousel  
Circlepit of Hell  
Ride your coffin, hear the cemetery bell  
Your beloved ones will say their last farewell  
In the Circlepit of Hell

Circlepit of Hell  
The place where Lucifer and all the demons dwell  
Circlepit of Hell  
Sell your soul and you can join the horde as well  
Rotten carcasses have such a lovely smell  
In the Circlepit of Hell, Circlepit of Hell  
Join in, freak out!

Ohohoh  
Take a ride through the night in the circlepit of hell  
Ohohoh  
Join the fun, join the fight in the circlepit of hell

Circlepit of Hell  
There's a place for all the wicked infidels  
In the Circlepit of Hell  
Pitch and sulfur is the only thing you smell  
Join the brotherhood and say your last farewell  
In the Circlepit of Hell, Circlepit of Hell  
Join in, freak out!

Ohohoh  
Take a ride through the night in the circlepit of hell  
Ohohoh  
Join the fun, join the fight in the circlepit of hell

None of us will live forever  
Death is our last endeavour  
All that remains is a soul to sell  
Take a ride through the night in the circlepit of hell

Ohohoh  
Take a ride through the night in the circlepit of hell  
Ohohoh  
Join the fun, join the fight in the circlepit of hell

None of us will live forever  
Death is our last endeavour  
All that remains is a soul to sell  
So, take a ride through the night in the circlepit of hell

None of us will live forever  
Death is our last endeavour  
All that remains is a soul to sell  
So, take a ride through the night in the circle, circle, circlepit of hell
