

# Fever Ray, Even It Out

Woo hoo  
Woo hoo

This is for Zacharias  
Who bullied my kid in high school  
There's no room for you  
And we know where you live  
One day we might come after you  
Taking back what's ours (Ours)  
And then we cut, cut, cut, cut, cut, cut, cut, cut, cut  
Cut, cut, cut, cut, cut, cut, cut, cut, cut  
Cut, cut, cut, cut, cut, cut, cut, cut, cut  
Cut, cut, cut, cut, cut, cut, cut, cut, cut

This is for Zacharias  
Who bullied my kid in high school  
Just even it out  
Just even it out  
Even it out  
Even it out  
And then we cut, cut, cut, cut, cut, cut, cut, cut, cut  
Cut, cut, cut, cut, cut, cut, cut, cut, cut  
Cut, cut, cut, cut, cut, cut, cut, cut, cut  
Cut, cut, cut, cut, cut, cut, cut, cut, cut

I do things methodically  
M-m-m-methodically  
M-m-m-m-m-m-methodically  
Woo hoo  
Even it out

Woo hoo  
Even it out  
Just even it out  
Woo hoo  
Even it out  
Woo hoo  
Even it out  
Just even it out  
Woo hoo
