

# Fever Tree, San Francisco Girls (Return Of The Native)

Out there it's summertime  
Milk and honey days  
Oh, San Francisco girls with  
San Francisco ways

Don't try to stop me girl, you can't have your way  
Don't try to stop me girl, nothin' you can say  
Live like you wanna live and stay where you wanna stay  
I just gotta go and get back to the Bay

So you love me girl, you're just in my way  
Don't try to stop me girl, I'm movin' out today  
Do what you wanna do and play what you wanna play  
I just gotta go and get back to the Bay
