

# FEWS, 100 Goosebumps

Sad to die  
My company is ...  
I walk my time  
I walk my time  
Before going down  
The secrets disappear into the wild

I've got goosebumps  
I've got goosebumps  
Whatever you see  
Goosebumps

Fulfill me needs  
And all my dreams through the glass  
I walk my time  
I walk my time  
Before going down  
The secrets disappear into the wild

I've got goosebumps  
I've got goosebumps  
Whatever you see  
Goosebumps
