

FFH, Be My Glory

You, O Lord, are a shield about me
You, O Lord, are my refuge, yea
You, O Lord, are a shield about me
You, O Lord, lift up my head

Be My Glory
Be My Glory
Be My Glory
Be My Glory

You, O Lord, are a shield about me
You, O Lord, are my refuge, yea
You, O Lord, are a shield about me
You, O Lord, lift up my head

How I long to be conformed in You Jesus
In my weakness be my strength
Hear my prayer as I kneel before You now
Break me till You're all they see
