

# FFH, Big Fish

Do de dum da digga dum dum da dum  
Do de dum da digga dwee ah  
Do de dum da digga dum dum da dum  
Do de dum da digga dum da um

(Chorus)

Are you in the big fish  
Are you sitting in the belly of a world gone mad  
Have you turned your back in His wish  
On His will for your life, have you made Him sad  
Do you want to get out of the big fish  
Listen to God and follow His plan  
And you won't be part of the main dish  
He'll spit you out on to dry land

Scat

You're one brick short of a load now brother  
You're one shot away from a bullseye  
You are missing the mark on your spiritual walk  
You started walking away now you're sinking -

Into the deep, wake up from the sleep  
See your one fry short of a happy meal  
You are incomplete by your own deceit  
You turned your back, now you're going swimming

Scat

(Repeat Chorus)

Scat

You're sinking low how low can you go  
So low that you don't know which way to go  
To the truth or to the dare?  
If you take the dare then you'll be swallowed there  
But run to the truth and you will find  
That a rescue arrives right in time  
To pick you up back on your feet  
Obedience is neat.

(Repeat scats and chorus)
