

# FFH, Fly Away

Ok you win, you caught me day dreaming again  
About our sudden evacuation  
Ok I give in, I can't help but wondering  
But it seems I can't get enough information

Curiosity has got a hold on me  
Tell me how it's gonna be - when  
One day I'll see you coming back for me  
And all together we'll fly away  
One day I'll hear that trumpet loud and clear  
And all together we'll fly away  
O how I long for the day  
When we'll fly away

Don't ask me why I keep starin' at the sky  
It's just I'm lost in anticipation  
I know it will be in the twinkling of an eye  
It's just I get lost in my imagination
