

FFH, Fly Away

Ok you win, you caught me day dreaming again
About our sudden evacuation
Ok I give in, I can't help but wondering
But it seems I can't get enough information

Curiosity has got a hold on me
Tell me how it's gonna be - when
One day I'll see you coming back for me
And all together we'll fly away
One day I'll hear that trumpet loud and clear
And all together we'll fly away
O how I long for the day
When we'll fly away

Don't ask me why I keep starin' at the sky
It's just I'm lost in anticipation
I know it will be in the twinkling of an eye
It's just I get lost in my imagination
