

# FFH, Still The Cross

Sometimes it seems the worlds unraveling around us  
We fear it all may one day come undone  
We cant forget the One who came before us  
To forgive the past and bring hope for whats to come

When it all comes crashing down  
The cross still stands alone  
And on this our faith is built  
And our courage is made strong

When the world falls apart  
And you fear for your heart  
Theres a tower of peace  
Its still the cross  
So bring your sick and your poor  
And your longing for more  
To the place of relief  
Its still the cross  
There is hope for the lost  
Its still the cross

Sometimes it seems that I have been forgotten  
I dont know how I will make it on my own  
But the One who said I will never be forsaken  
He still hears my prayer and I will never be alone

Though the world may not confess  
You and Your holiness  
One day all will see  
You in all Your majesty  
And the cross will stand alone  
As the place where You made known  
Your love for all mankind  
Till then in it well hide
