

Fiction Family, Throw It Away

I think about the life I live
A figure made of clay
And think about the things I lost
The things I gave away

And when I'm in a certain mood
I search the house and look
One night I found these magic words
In a magic book

(CHORUS)

Throw it away
Throw it away
Give your love, live your life
Each and every day
Keep your hands wide open
Let the sun shine through
'Cause you can never lose a thing
It belongs to you

There's a hand to rock the cradle
There's a hand to help us stand
With a gentle kind of motion
As it moves across this land

And the hand's unclenched and open
Gifts of life and love it brings
So keep your hands wide open
If you're needing anything

Chorus (x2)

And you can never ever lose a thing
It belongs to you
