&lt;/lyrics&gt;  
Only you I want to see, still and for always  
On rainy days I remember this single wish

In your heart I forgot  
A fragment of myself  
Is it still there?

Sleeping inside a closed book  
Pandora's jewels called memories  
Holding my breath, falteringly  
Forever I was watching  
&quot;Here in the rain&quot;

Yesterday I lamented the scattered petals  
Seems little by little I am forgetting you

I am a fragment of you  
That only wishes to return to your heart

My eyes that have fragmented  
Are quartz broken in the shape of the crescent moon  
You alone fill them with light  
Forever I am waiting  
&quot;Here in the rain&quot;

I only want to see you

Sleeping inside a closed book  
Pandora's jewels called memories  
Holding my breath, falteringly  
Forever I was watching

My eyes that have fragmented  
Are quartz broken in the shape of the crescent moon  
You alone fill them with light  
Forever I am waiting  
&quot;Here in the rain&quot;  
Searching for the fragment
