

Fiddler's Green, Lullaby

I can see you clearly now
You open up your eyes
And I fall right into your soul
Nothing is between us now
I can't believe it's true
So I fall, I really fall for you

And it seems to be just true
To write a love song about you
And I fall for you, I fall into your eyes
And it seems that you can be
All a slave needs to feel free
Cos I'm going home
And home's right in your arms
And I will be in your arms

I'll always be in your arms

I can feel your gentle touch
Though I'm far away
But I'll be in your arms
So take me where I wanna be
And never let it go
Come to me and see what I can see

And it seems to be just true
To write a love song about you
And I fall for you, I fall into your eyes
And it seems that you can be
All a slave needs to feel free
Cos I'm going home
And home's right in your arms
And I'll be in your arms tonight

I'll always be in your arms
I'll always be in your arms

I wanna be in your arms
I wanna be in your arms

I'll always be in your arms
I'll always be in your arms

I wanna be - And I know that you're gone
I wanna be How can I carry on without you I am lost in your arms
And I know that you're gone
How can I carry on without you I am lost - in your arms tonight
I wanna be - And I know that you're gone
How can I carry on without you - in your arms
I wanna be - And I know that you're gone
How can I carry on without you I am lost in your arms
I wanna be - And I know that you're gone
How can I carry on without you I am lost in your arms
