

# Field Mob, It's Hell

Stay up  
Hold ya head up  
It's hell in the streets boy  
Hold your head young nigga, cause it's hell

(Kalage)

I'm sittin' in the courtroom, stomach full of butterflies  
Somebody help me, cause my life is in the Judge eyes  
They got me for a Humbug, and that's some bullshit  
I should've listened to them preachers in the pulpit  
Stressin' to heaven, seemed like I was born by mistake  
While the races dominate, got me victim to the Legislate'  
I'm playin' for kicks, hustle and rob reefer, it medicated my mind,  
Fuck the World, with crime  
My mamma died in 92 so crazy, what the fuck to do?  
Daddy smokin' hard, not knowin' that it corrupted two chillin'  
I'm starin' at the ceilin', can't take too many blows  
The pain be killin', got the sinus up in my nose, oh  
These people want to hurt me, my momma dead so fuck 'em  
A small timer on the rise, so nothin' I feel  
To my niggas in the county, I might do a bit with ya  
Boy, in the streets I don't care with ya my nigga

(Chorus)

Cause it's hell  
Livin' off a thug, money things ain't swell  
Don't believe me, go and ask my boys in jail  
When we cryin' keep a knock for the cops  
Cause ain't no sunshine for boys or blocks (my nigga)

Cause it's hell  
What we gotta go through, and only time will tell  
When the pain is over, I'm down on my knees  
Lord keep watchin' over  
I'm lookin' for a better way  
and I that's all I gotta say

(Boondox)

Now I was born broke, but I'll be damned if I'm a die that way  
Love my momma, can't deny that face  
And as a child, everynight I prayed  
For a rap record deal, man sometimes, twice I'd say  
"Lord save me, take me, away from here"  
22 now, and I've been sellin' yay' for years  
But why we had a house, and couldn't keep it?  
Why we evicted?  
Why we get more pink slips than Victorias Secret?  
Why I gotta rob?  
Why my pappa ain't gotta job?  
Why I ain't graduate?  
Why through high school I aint have a date?  
Why I had to masturbate?  
Why Im wearing hand me downs?  
Why im in and out of jail?  
Why I let my family down?  
Why my uncle died?  
Wish it would've been me  
He ain't rob, he ain't hustle, should've been me  
Preacher man, could you pray for me, faithfully?  
When God comes lay him his herbs, tell him wait for me

(Chorus)

It's hell  
Livin' off a thug, money things ain't swell  
Don't believe me, go and ask my boys in jail  
When we cryin' keep an eye for the cops  
Cause ain't no sunshine for boys or blocks (my nigga)

Cause it's hell  
What we gotta go through, and only time will tell  
When the pain is over, I'm down on my knees  
Lord keep watchin' over  
I'm lookin' for a better way  
and that's all I gotta say

(Kalage)  
He just keep layin' his hands on my momma again  
Family ties, this is where the drama begins  
Tellin' my momma on the floor, bitch this and bitch that  
Locked in my prayin' to God, "Please let me get back"  
He's trippin' like he's outta control  
So he had to of been smokin' I heard her croke  
Through the wall, she was gaggin' and chokin'  
11 years old, and I don't need to be seein' this shit  
But in my tape deck, 8ball talkin' about beatin' a bitch  
It got me confused, but damn, you shouldn't popp her that hard  
And when them folks come, her stupid ass be droppin' the charge  
Whippin' her ass like a man, right and left with his fists  
Heavely blows to the dome, now she slicing her wrists  
I'm hyped and I'm pissed, soaking wet with blood holdin' her limb  
It's gonna be all right, she whispered with her bleedin' lip  
She passed out, eyes rolled back, I'm tryin' not to panic  
Stepdaddy walked in, saw my momma, then he went in a frantic  
Blood leakin', non stop, permanent rush with the fever  
She almost died, of loss of blood  
I knew my momma wouldn't leave me  
She don't deserve to live in pain, she just wanted to be happy  
Feelin' like a puss, I didn't help her cuz he ain't even my daddy  
She's back at home, and he puttin' his hands on her again  
Livin' in eternal fire, where drama doesn't end  
It's hell  
Nobody knows, the load, my soul tow  
Nobody knows, the load, my soul tow  
(Chorus x3 to fade)  
It's hell  
Livin' off a thug, money things ain't swell  
Don't believe me, go and ask my boys in jail  
When we cryin' keep an eye for the cops  
Cause ain't no sunshine for boys or blocks (my nigga)

Cause it's hell  
What we gotta go through, and only time will tell  
When the pain is over, I'm down on my knees  
Lord keep watchin' over  
I'm lookin' for a better way  
I that's all I gotta say
