

# Fields Of The Nephilim, And There Will Your Heart

we must suffer  
to free our pain  
can you help us  
to find our way  
you're here to stay  
stay here in paradise  
I'd end this moment  
to be with you  
through morphic oceans  
I'd lay here with you  
only to stay  
stay here in paradise  
only to stay son  
lonely from this maelstrom  
free are you  
from this maelstrom  
to be with you
