

Fifteen, Armed Gangs

Armed gangs out of (your town here)

Tell the police to go home

No more guns in (your town here)

Tell the police to go home

How many times do I have to get fucked up, how many times

How many times do we gotta get Jacked up,

Before we realize we all need to be on the same team

This place used to feel like my home

Now I'm living in an occupied zone

This place used to feel like my home

Now I'm living in an OCCUPIED ZONE

How many times do you gotta get Jacked-up how many times

How many times do we gotta get jacked up before we realize we need to be on the same team

MORE COPS IS MORE GUNS IS MORE CRIME IS

MORE VIOLENT DEVASTATION

REMOVAL OF SOMEONE FROM OUR LIVES
