

Fifteen, Sweet Valentine

I saw a smile on her face reminds me of the sun filled days that we'd waste away
Dreamin' of a world of love in harmony
Well my dream's comin' true and I
wish you were here so you could see all the smilin' faces I'm smilin' at you
Look how far we've come since the spring roses fallin' to the ground it don't
mean a thing cuz true love flies free as a dove
I keep hopin' that the end will never come...
I'll keep on waitin' right here for you
did we get further away or a little bit
closer still wastin' away but my dream's
not over there are so many steps left to
trace to see the smile on her face...
Such a pretty smile pretty smile pretty smile
Why don't you come just a little bit
closer you just seem so far away I try so
hard to keep on movin' on but I'm
getting caught up thinking about the time
we shared just wastin' away it seemed like they'd never end...
Keep on movin' on keep on dreamin'
It'll come right back to you right back to you
I saw a smile on her face reminds me
of the sun filled days that we'd waste
away dreamin' of a world of love in harmony...
My dreams come true I wish you
were here so I could see the forty
shades of green gleamin' in your eyes
Now the summer is gone and it won't
be long before I'm right back in the
middle torn between what I'm missin'
now and a sweet memory of yesterday...
A sweet memory of a sweet little
child I'd do anything for you
My sweet valentine
