

# Fifth Harmony, Anytime You Need A Friend

Ally:

Mmm-mmm.

If you're lonely

And need a friend

And troubles seem like

They never end

Normani:

Just remember to keep the faith

And love will be there to light the way

Fifth Harmony:

Anytime you need a friend

I will be here

You'll never be alone again

So don't you fear

Even if you're miles away

I'm by your side

Camila:

So don't you ever be lonely

Love will make it alright

Lauren:

When the shadows are closing in

And your spirit diminishing

Dinah:

Just remember you're not alone

And love will be there

To guide you home

Fifth Harmony:

Anytime you need a friend

I will be here

You'll never be alone again

So don't you fear

Even if you're miles away

I'm by your side

Camila:

So don't you ever be lonely

Love will make it alright
