

Fifth Harmony, Deliver

He know I keep it ready on the regular
So I don't have to get ready, ain't no setting up
When I give it, I make sure I give more than enough, yeah
He knows, he knows this
He know, he knows this
No needs for replacements or a warrantee
And he'll never need another, that's a guarantee
I can overnight this body if it's what you need, yeah
He know, he knows this
He know, he knows this
Never hit or miss, he know I always come through
Show up looking like my photo, keep it foolproof
When you call me, know you know just what I'm gon' do, gon' do

Yeah, my baby knows that I deliver
(That's exactly what I'm gon' do, do)
Yeah, my baby knows that I deliver
(Know what's coming when I come through)
I know you got the message, I deliver
(So that's exactly what I'm gonna do)
Yeah, my baby knows that I deliver
I ain't even gonna try, it's in my DNA

Always get the job done way too easily
I assure you, I back up what's on my resume
Yeah, I know you know this, I know you notice
I'm never letting down, I'm all that you heard about
Why, that's why you come around
And I know you know this, I know you notice
On your doorstep like UPS, won't send it back
You're hard to please, just like me, and I'll give you that
I'll give you something that you wanna unpack
You can say I'm reliable like that

Yeah, my baby knows that I deliver
(That's exactly what I'm gon' do, do)
Yeah, my baby knows that I deliver
(Know what's coming when I come through)
I know you got the message, I deliver
(So that's exactly what I'm gonna do)
Yeah, my baby knows that I deliver
I ain't even gonna try, it's in my DNA
