

# Fifth Harmony, I'll Stand By You

Oh, Why You Look So Sad?  
Tears are in your eyes  
Come on and come to me now  
Don't be ashamed to cry  
Let me see you through  
'cause I've seen the dark side too  
When the night falls on you  
You don't know what to do  
Nothing you confess  
Could make me love you less

I'll stand by you  
I'll stand by you  
Won't let nobody hurt you  
I'll stand by you

So if you're mad, get mad  
Don't hold it all inside  
Come on and talk to me now  
Hey, what you got to hide?  
I get angry too  
Well I'm a lot like you  
When you're standing at the crossroads  
And don't know which path to choose  
Let me come along  
'cause even if you're wrong

'll stand by you  
I'll stand by you  
Won't let nobody hurt you  
I'll stand by you  
Take me in, into your darkest hour  
And I'll never desert you  
I'll stand by you
