

Fifth Harmony, Leave my heart out of this

Camila:

My heart is telling me that
you were gonna change, but no
My heart is lying
right to my face, yeah

Ally:

My heart is making up
excuses for your ways
but I wish that
My heart knew when
I should walk away

Dinah:

Let's go down, you raise me
as I get back up off the ground
You're telling me that
This is love, but i found it
wasn't really on my side
Now I think it's time

All:

I tell my heart to just butt out
Keep It's opinion to itself
I should just listen to my head
'cause it's the one who knows what's best
It tells me not to love you,
but my heart says just forgive you
oh but it's not thinking clearly
I wish that I could
leave my heart out of this
leave my heart out of this

Normani;

I'm done feeling like a shadow to myself
So I know, I've got to put
all my feelings on a shelf , yeah

Lauren:

Let's go down you raise me
as I get back up off the ground
You're telling me that
This is love, but i found it
wasn't really on my side
Now I think it's time

All:

I tell my heart to just butt out
Keep It's opinion to itself
I should just listen to my head
'cause it's the one who knows what's best
It tells me not to love you,
but my heart says just forgive you
oh but it's not thinking clearly
I wish that I could
leave my heart out of this
leave my heart out of this

Dinah:

Sometimes I wish
You'd just shut up and let me think
I've had enough
I need to just make up my mind

All:
So that's why

Camila:
I tell my heart to just butt out
Keep It's opinion to itself

All:
I should just listen to my head
'cause it;s the one who knows what's best
It tells me (tells me) not to love you (love you),
but my heart says just forgive you
oh but it's not thinking clearly
I wish that I could
leave my
leave my
leave my
leave my
leave my heart out of this
leave my heart out of this

Normani:
Le le le leave my heart
Le le le leave my head
no no ooh
