

# Fight, Little Crazy (live)

[Halford]

It's alright, it's alright, it's alright  
I'm just a little crazy

It's alright, it's alright, it's alright  
I'm just a little crazy

Under my skin and into my bones  
I feel insanity begin to make its home  
Into my vision and through my mouth  
Somebody's working me to get me all strung out

It's alright, it's alright, it's alright  
I'm just a little crazy

It's alright, it's alright, it's alright  
I'm just a little crazy

There goes my reason  
Where's all my hope  
I'm just a puppet pulled by stings to make me cope

I'm seeing nothing  
What's all this noise  
Could someone give me something  
Just to get me through this boy

It's alright, it's alright, it's alright  
I'm just a little crazy

It's alright, it's alright, it's alright  
I'm just a little crazy

Under my skin and into my bones  
I feel insanity begin to make its home  
Into my vision and through my mouth  
Somebody's working me to get me all strung out

It's alright, it's alright, it's alright  
I'm just a little crazy

It's alright, it's alright, it's alright  
I'm just a little crazy
