

# Fighting Instinct, Just To Please You

I gaze into my eyes  
I wonder what my future holds for me in You  
I pray all day and night  
That I would do just what You want me to  
I will live my life for You

Just to please You, Father  
Is my one desire  
It burns in me  
Like a blazing fire

Things may come my way  
That will try to make me loose my sight of You  
But I will stand strong  
To what I know is good and true  
I will live my life for You  
For the rest of my days

Just to please You, Father  
Is my one desire  
It burns in me  
Like a blazing fire  
to preach the gospel to the nation  
to every tongue and every race  
and Lord, just to please You.
