Fightstar, Floods

You can't all pretend
That you don't know enough
Enough to make sense
All this will be gone
And you can sink beneath
The rapture we've spawned

What have we become

You know we don't have all the time in the world to make the floods seem still You know we don't have all the time in the world To make the most of this

The Blind will bleed the blind When the only thing to see is their lies Let not the sun go down On the wrath of this inconvenient truth

What have we become

You know we don't have all the time in the world to make the floods seem still You know we don't have all the time in the world To make the most of this

Just smile like the idiots you are, and swim

You know we don't have all the time in the world to make the floods seem still You know we don't have all the time in the world To make the most of this
