

Fightstar, Minerva

I get all numb
When she sings its over
Such a strange numb
And it brings my knees to the earth

And God bless you all
For the song you saved us...

You're the same...numb
When you sing its over
Such a strange numb
It could bring back peace to the earth

So God bless you all
For the song you saved us...
For the hearts you break
Everytime you moan

I get all...numb
We're the same numb
And it brings our knees to the earth

So God bless you all
For the song you saved us...
For the hearts you break
Everytime you moan
And God bless you all on the earth...
