I get all numb  
When she sings it's over  
Such a strange numb  
And it brings my knees to the earth  
And God bless you all  
For the song you saved us  
You're the same numb  
When you sing it's over  
Such a strange numb  
It could bring back peace to the earth  
So God bless you all  
For the song you saved us, oh  
For the hearts you break, everytime you moan  
I get all numb  
We're the same numb  
And it brings our knees to the earth  
So God bless you all  
For the song you saved us, oh  
For the hearts you break, everytime you moan  
And God bless you all on the earth
