

Figure Four, Guilty

These misconceptions

have proved to be wrong.

Is it a mistake to go against the grain.

Do you make up your mind based on what you can see.

Here I stand.

I'm guilty of the same crime.

Judgment's not our right and not our role to decide.

From just one look and you've made up your mind.

Now I will take the time to step out and make amends.

These misconceptions have proved me wrong.
