

Fiji, Sharing The Night Together

You're looking kinda lonely girl
Would you like someone new to talk to,
Ah yeh alright
I'm feelin kinda lonely too
If you dont mind can i sit down here beside you
Ah yeh alright

If i seem to come on too strong
I hope that you will understand
I say these things 'cause i'd like to know
If you're as lonely as i am
And if you mind

Sharing the night together, oh yeah
Sharing the night together, oh yeah
Sharing the night

We could bring in the morning girl
If you want to go that far
ANd if tomorrow finds us together
Right here the way we are
Would you mind

Sharing the night together, oh yeah
Sharing the night together, oh yeah
Sharing the night

Would you like to dance with me and hold me
You know i want to be holing you
ah yeah alright

Like to get to know you better
Is there a place where we can go
Where we can be alone together
And turn the lights down low
And start sharing the night
