Era veilelayaki na gone ni kua,
Ra luveni yali ra lomarua,
Na domo ni biukila rogo,
Sa na mai tagi tu nikua

(Translation)

Today children are lost
and confused. Warning
signs are sounding the
trumpets of the end times.

Not a minute goes by today
Will I be shy to say
That I bow down and pray to Almighty,
makin' sure everything is alrighty,
When the day come we killuminati,
Stop all the bloodclot fight and fuss
When the day comes you be bitin' the dust
True warriors can't fuss with us
Keep your mouth runnin'
You be feelin da bust
