

Filter (feat. Crystal Method), (Can't You) Trip Like

I got the understanding of a four-year old
I got the peace of mind of a killer's soul
I got the rationale of a New York cop
I got the patience of a chopping block yeah
Trip like I do
Ohmygod I think it's the best
Trip like I do
Ohmygod I think it's the best
I got the acumen of a seasoned pro
I got the legacy of a billion souls
I got the world on my back and I don't seem to care
I got the comprehension of a world unaware yeah
Trip like I do
Ohmygod I think it's the best
Trip like I do
Trip like I do
Ohmygod I think it's the best
I want you to trip like I do
Can't you can't you trip like I do
Can't you can't you trip like I do
Lay down on my back I can't sleep 'cuz I'm slumming
Eyes in my teeth I can't see 'cuz I'm eating
Head full of noise I can't think 'cuz it's crushing
Back on my feet like a freight train I'm coming
Can't everybody feel like I do
Can't everybody feel like I do
