

# Filter, I'm Not The Only One

What if I could say to you  
Of what you wanted  
Would not do  
What if I could say  
Say to you  
Of what you wanted  
Of what you could do  
Huh  
Huh  
Huh  
Huh  
What you want  
Is something you need  
And what you've wanted  
Is something I bleed  
Could you say to me you love me  
And I'm the only one  
Could you say to me you love me  
That I'm your man  
Huh  
Huh  
Huh  
Huh

[Chorus:]

Is this that last time I'll ever see you  
Is this the last time I'll ever meet you  
Is this the last I'll ever make love to you,  
you

Yeah  
What did you say girl  
I'm not the only one  
What did you say girl  
I'm not the only one  
Huh  
Huh  
Yeah  
What did you say girl  
U'm not the only one  
What did you say girl  
I'm not the only one  
What did you say girl  
I'm not the only one  
What did you say girl  
I'm not the only one  
Huh  
Huh  
Huh  
Huh...
