

# Filter, The Best Things

Gotta green light gotta green light yeah  
But I'm going no where  
Gotta green light gotta red light yeah  
No cop no stop I don't care  
Every one of you could be the same  
Every one of you could be play the game  
Gotta green light, gotta green light yeah  
But ya goin' nowhere

[Chorus:]

You know the best things in life aren't for me  
You know the best things in life aren't for free

Gotta a new life, gotta a plight yeah  
And it's goin' nowhere  
Gotta a moutaintop like a pin drop yeah

No God no thought I don't care  
Everyone of you could be the same  
Everyone of you can't play this game  
Gotta a new life, gotta a plight yeah  
And it's going nowhere

[Chorus]

Got a new find got a new crime yeah  
And it's goin' nowhere  
Like a global path like car crash yeah  
No cop no stop he don't care

Every one of you are just the same  
Every one of you will play this game  
Gotta a new fun, gotta a new crime yeah  
And it's goin' nowhere

[Chorus (4 times)]
