

Final Fantasy, Better Than Worse

Twice was enough
Third would be an insult
To my condition

Diamond of rough
You see opportunity
I see apparitions

Changing my mind
Is not so incredible
I do it all the time

Better than worse
Is free from the curse
And when I came to
It all felt rehearsed

Oooh, Oooh, Oooh, Oooh
Oooh, Oooh, Oooh, Oooh
Oooh, Oooh, Oooh, Oooh

Better than worse
Is free from the curse
And when I came to
It all felt rehearsed

Better than worse
Is free from the curse
And when I came to
It'd all been reversed
