

# Fine Young Cannibals, I'm Not Satisfied

It's hard - can't afford to stop  
Keep on working - till you're fit to drop  
Then comes the weekend and my troubles go away  
Monday morning brings them back again

No, no, no I'm not satisfied  
Can't there be - more to life  
I can't see - reasons why

Going steady - have been a while  
Ain't ready - not by a mile  
I try to tell her that I'm not he marrying kind  
She tells me she's gonna change my mind

No, no, no I'm not satisfied  
Can't there be - more to life  
I can't see - reasons why

I want a place to go  
I could go - leave these streets alone  
Everywhere you go now is just misery  
There's no hope living in this city

No, no, no I'm not satisfied  
Can't there be - more to life  
I can't see - reasons why
