

Finger Eleven, Awake And Dreaming

I can't lose anything
So what's left is mine
And I win this time

Consolation day
I'll make up a way
I'll know now just what to say

And I'll get away from you
Wait and I'll be begging
And I'll get away from you
And pull you down (x2)

I saw it all again
Faded memory became clear to me
I try but I can't say
That I'm yours for good
Support me you said you would

And I'll get away from you
Wait and I'll be begging
And I'll get away from you
I'll pull you down (x2)

Awake and dreaming
But I'm only sleeping (x2)

And I'll get away from you
Wait and I'll be begging
And I'll get away from you
I'll pull you down (x2)

Awake and dreaming
But I'm only sleeping (x2)

Awake, Awake...
