

Fink, Trouble's What You're In

Trouble's what you're in
In that dress that's as black as my heart on this train
Trouble's what you're in
Trouble
With those lips that's as red as the blood in my veins

Trouble,
You know it,
Trouble,
Soft Target

Trouble's what you're in
Coz it's a long way to London Bridge in them heels babe
Trouble's what you're in
Trouble
coz it's amazing how much one look can reveal

Trouble,
You know it,
Trouble,
Soft Target

Trouble's what you're in
Coz I've been waiting for just one look...

Trouble,
You know it,
Trouble,
Soft Target
