

# Finley feat. Belinda, Your Hero

PEDRO:

Human race seem so amused  
By the news of everyday  
We got suffocated, paralyzed  
Theres no reaction  
We got used to being  
Surrounded by disaster

BELINDA:

By this time to face the truth

PEDRO:

Now its time to make a move

BELINDA:

Your hero  
Can save me

PEDRO:

Cause we dont live in happy ending movies

BELINDA:

Your hero ooh

PEDRO:

Only tragedy is around

BELINDA:

Name these countries  
We consider far from home  
But theyre nearest than we knew

INSIEME:

Now we gotta make a move

PEDRO:

Just because

INSIEME:

Your hero  
Can save me

PEDRO:

Cause we dont live in happy ending movies

Your hero (your hero)

Can save the world

BELINDA:

From all the times  
We crossed the lines  
And made the same mistakes

PEDRO:

your hero

Your hero (your hero)

Can save me (can save me)

Cause we dont live in happy ending movies

Your hero (your hero)

Can save the world

INSIEME:

From all the times  
We crossed the lines  
And made the same mistakes

BELINDA:

Your hero

PEDRO:

Uuuu

BELINDA:

Your hero
