It's A Man's, Man's, Man's World lyrics

This is a man's world

This is a man's world

But it would be nothing

Nothing without a woman or a girl

You see man made the cars

To take us over the road

Man made the train

To carry the heavy load

Man made the electric lights

To take us out of the dark

Man made the boat for the water

Like Noah made the ark

This is a man's man's, man's world

But it would be nothing

Nothing without a woman or a girl

Man thinks of little baby girls And the baby boys

Man make them happy 'Cause man makes them toys

And after man make everything, everything he can

You know that man makes money to buy from other man

This is a man's world

But it would be nothing, nothing

Not one little thing

Without a woman or a girl

He's lost in the wilderness

He's lost in the bitterness

He's lost, lost and
